Cont.

- Feb. 10 Case Eustina Nachazel (66) 15465 Fairfield, "dying" of intestinal cancer three years ago, comes To-day in perfect health to enroll Sister M. Reginald of Marywood Grand Rapids - cancer of stomach
- Feb. 11 Pneumonia Cured Baby Patricia Turner (18 months) enrolled for two yrs Jan. 30th 4:45 p.m. for pneumonia. Little hope entertained by doctors for recovery. At 5: p.m. she was playing around the cradle when her uncle got home who had enrolled her. Febr. 1st 10 p.m. Mother reports in tears Baby worse again and enrolls her again for year promising perpetual enrollment if baby is better when she and the father (non-Cath) get home Baby found asleep rests all night - promise again not kept - she grows worse and is reported so at about 10 a.m. Feb. 2nd by phone. "No wonder," answered Fr. S., "If you people would keep your promises you would have a different story." The Catholic grandfather comes and enrolles her at 1:30 p.m.
