Page 34

May 10th John A. Stibich - 19 - of Johnstown, Penn. - now in Harper Hosp.
has T. B. - Collapse of lung said to be the only remedy. This
boy's Brother, Clarence Stibich had sleeping sickness two yrs.
ago when he was carried into the Monastery and blest - after two
other blessings - one at curbstone in the machine and another in
....now in perfect health. He had suffered from the sleeping
for two years. Drs. giving no hope of recovery.

Thomas Manian whose name we mentioned as hopelessly infected with
"strepticoctic" is home with family -- seemingly
