Cont.

Sept. 3rd Synobitis Cured Harold C. Byrne 11 of 656 Hall Ave., Windsor, Ont. fell July 30 his birth-day losing use of right leg completely - leaving little hope of recovery. On August 4th is enrolled for year. The boy delirious till that time with fever and pain, remarked that something must have been done that he felt so improved. The Aunt who enrolled him phoned next morning to find wonderful improvement as said the doctor. To-day he comes with his Mother to the Monastery. Sept. 20th not worse: still has temperature.
May 1, 1927 Reported improving right along and in best of spirits.

Sept. 7th Mrs. Louise Knack 30, 356 So. Chalmers shot through head in hold up by burglar and again through the arm, while in jewelry store, taken to receiving Hospital and found to have badly fractured skull, is enrolled June 30 same evening when recovery seemed entirely out of the question. Authorities in Hospital refuse all hope of recovery. "She is dying now," they said. "We can do absolutely nothing." In that extremity she is taken to other hospital where she received transfusion of blood (Deaconess Hosp.). She leaves Hospit. in 11 days ... comes to Monastery this evening, with
