O all ye works of the Lord! Bless the Lord...for ever."

Dec. 20th, 1946

God bless you Miss W.U. - you and yours:

Glad you are all seemingly well. Hope too that you all do something for the little Child who was cast out long ago because there were no rooms in the hotel, and whom the sadly vast majority of men still refuse to admit into the "inn of their hearts. He asks - Dear: Will you again refuse!
