Dear Dorothy Bachor: _

God bless you.

You may think sometimes that it is hard to keep up courage. One phase of contentment - rather I will say a feature of the key to contented peace, - is this: To try to realize the contrast (rather than the difference) between Time and Eternity. At the longest time must be so short. But O! Who can fathom Eternity?!! Then be grateful for what we have -- Existence -- The True Faith

God made me to know Him - O what a blessed aim!
To love Him and serve Him sure rests in the same.

It's Heaven begun - for the grateful on earth
To treasure aright?!?! ...Highest Heaven its worth.

Be sure, if the enemy of our souls is pleased at any thing in us it is ingratitude - of whatever kind. Why? ingratitude leads to so many brakes with God & neighbor.

"Whom the Lord loveth He chasteneth....." Some day you will thank God for having been deaf. ...God bless you Dorothy B. ...
