Please God, I must reach Pat, with a letter soon. Though there so many urgently crying for help, that one heartily known which one to help first. This is almost continually. God's will be done, in all His blessed designs.

In conclusion let us exhort one another on every occasion to be grateful to God for the uncountable graces by which we are surrounded.

I am dictating this letter to one of my brothers, my dear brothers. Brother Gabriel.

With loving regards to Brother Patrick, Sisters M. Genevieve, Margaret and all our dear ones in the West. I remain

Sincerely yours in the Sacred Hearts
of Jesus and Mary,

Your Brother B. - Fr. Solanus, O.F.M. Cap.
