Reb. Edward F. Casey

Well Dear Edward; you are no doubt surprized at the length of this letter. I hope it is grave enough not to scandalize. I hardly need say I finished it Sunday night after starting as the clock struck 11. I probably had not finished and it would have gone as so many others, and I behaved myself a little better, physically, and not been sent...a cell recuperating. Just a little cold Thank God. I'm posted for the 5 o'clock Mass tomorrow (1st Sunday of Lent) So I'll just say

Good Night and God Bless You and yours.

Fr. Solanus..
