II Convergence

"HUMILITY and SIMPLICITY"

(Of myself) I am nothing. Only inasmuch as I shall succeed in
humbling myself can I expect to anything in God's eye - anything
therefore in reality worth seeing. Humility and Simplicity belong
together and to one another more than do twin sister.

IV Confer. - "Blessed are the Clean of heart for they shall see God"

First law of nature, Self-preservation. Next to this law - nay
essentially belonging to it is Self-propagation.....Whence then the
law of Chastity? In general there is no law beinding to perfect Chas-
tity. In general it is only a counsel. Chastity becomes a law for
the privileged few - for priests and religious who by the grace of vo-
cation take it as a holy vow....all the more effectually to propagate
Jesus Christ and themselves spiritually.

Wednesday

Devotion to Jesus in the Blessed Sacram't and to Mary His - our
Bl. Mother. Foster confidence in Jesus by appealing to Mary our Bl.
