The following is a faithful transcription of a message on the flyleaf of one of the Volumes of the Mystical City of God handwritten by the Servant of God, Father Solanus Casey O.F.M.Cap.

Dear Reader:-

"To know is to Appreciate"

Trees are known by their fruits - - -

Artists may be known by their master-pieces

.....

God Himself can be appreciated - loved - only inasmuch as He is known.

The following pages offer a practical Introduction to God's most outstanding masterpiece - His own Virgin Mother Mary Immaculate.

Studying Mary's life...is learning to love ... God in His works - His Masterpiece.

Fr. Solanus O.M. Cap.
