

1947, January 10th

Page 2

(a P.S. to the previous page.)

Mr. and Mrs. Joseph and Winifred O'Donnell

In the mean time do not forget to say little prayer now and then that I make a little faster progress in conversion the coming fifty years than during the past. Ofcourse the next will probably shorter than the past twenty-five.

Praised by Jesus, Mary and Joseph.

Fr. Sol.
