Blessed be God!

God bless you Bernice M. Schumacher you and yours.

I am glad you are feeling improved. Keep up the improvement and don't give way to worry or discouragement. That never pays. If we could only learn to appreciate the holy faith and the innumerable blessings flowing from it and the blessings otherwise surrounding us; We could never have time to worry about anything - except that we're so little appreciative.

P.S. Congratulations to your Husband, H.
