

FATHER SOLANUS, NOTEBOOK No. 9

Pg. 22 Nov. 29 1st of Advent (N. Yr.)
Penance the primary end of the Minor Friar
- therefore a vocation to same implies
first of all - penance - and whatever is
of pain or death must be received at least
with resignation - better with gratitude.
- what does well that for which it was in-
tended will be valued - otherwise neglected.
If the Creator desires or requires penance,
what better can the creature do? Deo Gratias!
