Bles'd be God in His every design!
How ineffable His ways and His works!

September 15th '48 - Our Lady of Sorrows.

God bless you Martha Dear Sister - you and yours.

I found Sister Mary Rosella noted on August 9th:
so have made out her certificate accordingly and
am herewith inclosing. I hope it will be satis-
factory - glad you called my attention.
Please pardon oversight and consequent delay.

I can easily understand something of how you feel,
hustling all day in the hospital, etc. It's a great
work in itself and a wonderful opportunity to prac-
tice charity and of course mortification in so many
ways, which brings one nearer to God and endears to
the Sacred Heart. Naturally "social life" often
suffers - and what is to be regretted in many cases -
family life too. This latter is really important and
in every way should be supplied as far as possible.
.....Prayer in your and O.J.'s case, I trust has
helped - and let us hope will help more than anything else
under circumstances.

...Fr. Solanus.
