Blessed be God!
In all His designs.

God bless you Dear Brother, Father Edward!

I want to reach you with this as soon as possible so that it be convenient for you to profit by a little proposition - up my sleeve since your interesting letter from White Plains, in reference to your being plans to be in the Green Bay Diocese during August. You probably remember me telling you about Mr. Philip Obrien of Chicago - just now on his summer-farm fifteen miles out of Bailey's Harbor, Wisconsin. I called his amiable Wife Eleanor last nite - a little like Mrs. Tom Tobin of fifty years ago. ... They were expecting you to call on them earlier in the Summer before they left Chicago. Now they will be expecting you to get in touch with them and to stay with them at least a few days before the Month slips by. Their telephone - please don't disappoint us, then & - is: 15 R.34. Waseda Farm Bailey's Harbor, Wisconsin. "Be sure and have him reverse charges. We will see to his coming."

P.M.

Well, I did miss this a.m.'s pick-up, but I hope to reach you soon enough to make it convenient for you/ see them in the near future. In a way I am confident that it will be close at least to as good as a "parish appointment,"
