INTRODUCTION TO BOOK IV

TRANSFIXION OF MARY * MYSTICAL CITY OF GOD.

TO KNOW IS TO APPRECIATE.

Next to the sorrows of Jesus and next to the
inexhaustible Love of His Sacred Heart, the
sorrows of Mary and the love that filled her
soul, surpass comprehension.

At times, in the course of the following
pages, one can only wonder as at a manifest
miracle, the fact that Mary survived the bit-
ter Passion of Jesus.

She did survive Him;
more than twenty years; becoming the stay and
the gentle Mistress and Mother and Queen of the
Apostles and of all the faithful in the entire
 Infant Church;
next to Jesus Himself most meek and humble,
next to Him, most copassionate and gentle.

Here, to know is to love. Would that Mary were
 better known!
Would that her sorrows were appreciated! How much
 better then
would not Jesus Himself be known! How much more
 loved and adored!
