- Febr.-17th Blind Man's Case Man's Case MySterious. Emil Dearvang A.C. 41 - 5714 Cadillac, having a Wife and 4 living children, began to lose his sight in June (12th) 1924. Every effort was made to check the growing darkness. Specialists after Specialists declare the case mysterious and yet hopeless. Was enrolled twice at least in the S.M.A. before going to the Ann Arbor Univ where he found no relief and no hope but to remain blind & go home. To-day he is again Enrolled in S.M.A. - in Hon of St. Anthony and St. Therese. We will hope
