Oct. 18 Sarcomic Cancer. Blood Cancer. Hazel Marg. Doreen - Wellwood -
17 - n. Cath. - cancer of the hip...had pneumonia, was operated on
...then fearful pains in legs...operated on again and found to be
hopelessly cancerous. Enrolled last Thursday (October 18) for one
year by discouraged parents when all the doctors agreed there was
nothing they could do....To-night the parents return to say the
22 child was brighter - even sitting up when they went home that night.
Now every indication she is improving and will be cured.
Nov. 2 - worse - phone call about 9 P.M. 104 2/10 fever - pulse 158
- little hope for over-night. 3rd - rests well after mother phones.
Nov. 3rd. a.m. pulse 118 - fever only 102 3/10 Deo Gr. - Nov. 4 9:30
P.M. - Very hopeful Nov. 11 still astonishingly improving. Nov. 18
Mother here to-night. Thank God girl astonishingly better. Dec. 8
Parents here to-night...Hazel without pain all day. Great hopes now of

Oct. 18 S. Cancer - Continuation - Dec. 28 - continued from October 18 (Page
ahead) Mrs. Wellwood - Hazel's mother - called up.".....Hazel died
yesterday at 4:30 a.m.
P.S. So far the foregoing has been disappointing. Last Sunday Fr. Sol.
gently but earnestly urged said Mr. W. to get busy at their promise to
look into religion as proposed two months and 9 days ago, if girl were
spared. She half heartedly pro.....
