1944, October

Oct. 3 Vincent Minisci - 44 - Elefantine leg...away for 17 yrs from confession. Appointment for 9 a.m. To-day. Comes with wife and receives "St. Maurus Bl." and Enrolls perpetually. Phones to Grace Hospital to cancel appointment - as being too late - instead goes to confession.
4 Mrs. Cordelia - 44 - opened for operation yesterday (in Women's Hosp.) The outlook was so desperate that the Dr's sewed her up at once and now only by miracle can we hope for recovery - Mother enrolled her again To-day perpetually.
T. G. McCarthy - 52 - went blind last June....badly infected - came and enrolled...late in July. Dr's in Ann Arbor gave him very little hope....Is here To-day - sight O.K.
