

Page 53 .

- Aug. 10 Eugene McNulty - 48 (of Huntington) Hopeless with "Spacia" - slow paralysis - Doctoring for about 9 yrs. - Mayo's, etc. - goes to holy Communion weekly. Was pleased at being urged to promote frequent Communion. - Enrolls perpetually - self and PP. Souls 10.00
- Oct. 18th Randall Gerow - 2 - brought To-day from 14628 Rabeon, Redford, Michigan; bright lively child, However, he has a peculiarly threatening-conditioned neck - uncanny groth over juggler & almost frightening voice. The methodest Father drove down in the rain and waits out in car till called in. The mother a one time Catholic not to sacraments for years.....They enroll child and both kneel for blessing of Cross relic...quite hopefully smilingdocilly promising.

1948

1948, July

- July 25th Feast of St. James 48 Anniv. - Minor Orders
To-day about 50 or 60 here from N. Man. Ind. with Sunday School - Young Methodist Minister also who had accompanied them came in during talk in Chapel and seemed much interested - came into Office afterwards with wife and several others. Deo Gr.
