SACRED HEART MONASTERY

YONKERS, NEW YORK

April 17th, 1912

Rev. Mother Lurana, S. A.,
Graymoor, N.Y.

Dear Sister Lurana:

Please accept my sincere thanks for the little card you sent with Easter greetings. It is the first picture of my dear Patron I have ever received. Be sure also that I herewith return similar good wishes for yourself and for all at Graymoor. I take this occasion also Dear Sister, to assure you that I thanked Almighty God - and do thank Him for having inspired some one with such truly Franciscan sentiments as were manifest in your gentle protest to the plaintiff attorneys of that Graymoor Church property case. I am fully confident that there are too many upright lovers of justice even among our separated brothers and sisters who read the Lamp and paused at that letter ever to hold their peace while an act of such injustice were perpetrated as would be perpetrated should your community be ejected from Graymoor. In my opinion there is no sane man who has a spark of Christianity who will hesitate when he knows the facts and the present circumstances at and around Graymoor, to second these sentiments - and acknowledge your sentiments as really Christian. Continue Dear Sister in your determination never to quarrel, as our holy rule enjoins and be sure you will have more powerful patrons on your side than intrigue with irreligion and silver and gold can ever procure.

Sincerely and Fraternally in Christ

Fr. Solanus, O.M. Cap.
