Bles'd be God in all things

My Dear Brother Edw'd:

God bless you and yours. Pardon my tardiness in complying
with demands of -- correspondence.

Thanks be to God I've had some really practical exercises
recently that befit a capuchin novitiate.....Four weeks ago we
drove over to Milwaukee for a celebration in honor of Fr.
Stephen Eckert, whose Dominica (Dominican brother) Br. Michael
you must have.....From Notre Dame.....Afterwards they ambulanced
me to St. Michael's Hospital - thence after two days to St.
Felix - St. Joseph Hospital Ft. Wayne for two long weeks (16
days) and now again back to the Novitiate....Deo Gratias.

They seem to think they had pretty critical patient.....
I can genuflect again....and can eat - "no foolin."

Now to catch up a little with letters, etc....God help us...

I surely sympathize with you and your practical associate..
..Best wishes to all.....including down to the personnel of
St. Joseph Hospital where I met such really fraternal and sister-
like encouragement!....I always bring away with me newly awakened
memories from St. Thomas.

Praised be Jesus Christ!

Fr. Solanus, O.F.M.Cap.

God bless Fr. Cashman...and all the great work:
