

1940, February

The following is a faithful transcription of the handwritten message by the Servant of God, Father Solanus Casey, O.F.M. Cap.

(WRITTEN ON THE FLYLEAF OF VOLUME TWO OF THE
"MYSTICAL CITY OF GOD" BOOKS)

NEW YEARS DAY: -- A HAPPY NEW YEAR!

Dear Reader: --

"To know is to appreciate."--

And "Gratitude for favors is one of the very first and
Surest indications of intelligence."

God's greatest benefit to man, after his creation, was
- - - - - his Redemption. The Incarnation of the Son of
God was actual beginning of That Redemption.

The following pages give details seldom - if ever -
found elsewhere regarding this mystery of love. They are
details as given by our dear Bl. Mother in her own singularly
privileged "autobiography."

Only in Heaven will we ever be able to appreciate such
details as they deserve to be appreciated.

Fr. Solanus, O. M. Cap.

P. S. In strict sense of the word "autobiography" is not
exactly the one to use. Our Bl. Mother herself refers to it
(in the 4th book), as a work of the Highest Truth
It is so much the Blessed Virgin's work, however, as the front
piece in this (No. 2) would seem to indicate, --instructing
the writer and coaching her, etc., that it is not improperly
called -- as above -- the Autobiography.
