God bless you Helena 10:40 PM

best.

My Dear Niece Helena:-

The New Year is still in its baby-hood: so I'll wish you all
kinds of blessings before it passes as all others so far have gone.
If ever I get up with my letters again I'll write to my dear ones
more frequently. I hope.....I am glad you have found someone
and that someone has found you whereby mutual congeniality seems
promising.....That he is older than you is a secondary matter....
Even that he actually knows little about the True Religion might
be secondary too, if only he or anyone else be desirous to learn
- be willing to find out - and dispel doubts....It is so easy for
the Church to vindicate her every Doctrine!!!...How your dear
Father John was convinced of this! So much so that tho his death
was tragic, it was never the less a holy death. I never worried
about that....

Fr. Solanus.

P.S. Preparing for...Speed up your communions.
