

Bles'd be God in His every design!

June 7th, 1948

God bless you Mrs. Grondin - you and yours.

I just came across your pathetic letter of Nov. 12th '47 and was wondering what might have come to your little Dan. Not sure if I ever sent you an enrollment card for the Seraphic Mass Association, I am sending you one now. At all events I would be pleased to know if little Danny is still living or is he already gone to Heaven - for to die in a state of such innocence as he was in, and his physical condition, would mean that he would go to Heaven at once. In such a case, how supremely fortunate for the little saint! Also how fortunate the parents.....
.....I hope too, your new Baby is already able to fill your home with sunshine.

Again God bless you all.

Praised be Jesus.
